### **Business:**

-The City of Clarksville is no longer going to do a Turkey Trot. Now we no longer have to worry about potential complications with our own Pass The Turkey.

-Our next trash cleanups will be: 14 July, 08 September, 01 December, and 25 March. We will meet at 0800 in the Belk parking lot.

-The Wilma Rudolph Charity Run has been rescheduled for 14 September, 2024 at Austin Peay State University. More details will follow.

-We only received 1 full application and 1 partial application for the Mike O’Hara Scholarship. Tracee will contact the coach of the partial application to try to figure out where the other half went. Tracee also is still trying to get in contact with the track and cross-country coaches of Fort Campbell High School. Because of this, and the fact that the 2024 Wilma Rudolph Charity Run has been rescheduled to the fall, the scholarships will be presented at the race in September and sent to the recipients’ schools for the spring term.

-We decided to change the CRC’s insurance back to the Road Runners Club of America. This was voted on and approved by Tracee, Jim, and Shelagh. The club signed up and got insurance coverage starting today (16 June, 2024). The premium will cover us until 31 December, 2024, and we will need to renew at that time.

- This was partly because Tracee found that it would cover more than our current insurance and provide us with event insurance. We need event insurance to begin

working on the Wilma Rudolph Charity Run. The city of Clarksville required us to have event insurance to submit our request to them to get the dates and locations reserved. We now have that and can start working on further details for the 2024 WRCR.

-With the heat of Summer upon us, it was decided that group runs were to take place at 08:00am at the Greenway on all Sundays, excluding the 3<sup>rd</sup> Sunday of the month when we will have our monthly meeting (2:00pm at Strawberry Alley Ale Works), excluding the 4<sup>th</sup> Sunday of the month when we will have our monthly pub run (5:00pm at 3<sup>rd</sup> Base Bar), and excluding any Sunday that has another event like trash pickup scheduled.
