## ABOUT CRC

The Clarksville Running Club (CRC) is a nonprofit organization dedicated to promoting an active lifestyle for individuals of all ages and paces. Our mission is to create an inclusive and welcoming community where runners and walkers can connect, train, and support each other. Whether you're a seasoned competitor or just starting out, CRC provides opportunities to run, race, volunteer, and engage with the local community.

You can choose to be a member for no fee or a paying member.

As a no-fee member, you can attend the CRC weekly run, monthly meeting, certain events we host, and have access to our [Facebook](#) page.

Paying members get the same as no-fee members but also get the ability to vote at the monthly meetings, invites to paying-member events, and discounts with our current Community Partners (click [HERE](#) to see list of Current Community Partners and the discounts the offer our community)...Hopefully more perks to come as we are always working on finding new community partners!

You can become a due-paying member at: [Clarksville Running Club: Registration](#)

Annual Memberships are \$25 for an Individual or \$35 for a Family (up to 6 people living in the same household)

## MEET THE OFFICERS

### **Aly Collins-Fantauzzo – President**

I am originally from Michigan and moved to Clarksville in 2023. I currently work at Land Between the Lakes. Growing up I played soccer, but after high school graduation started participating in 5Ks and other events. I truly enjoy being a part of the running community, everyone is kind and motivating! When I am not working or running/walking, I enjoy hanging out with my husband, dogs, gardening, bowling, indoor rock climbing, arts and crafts, and trying new things!

### **Logan Watson - Vice President**

Born in California, raised in Michigan, where I found my passion for running in 6th grade, which eventually led me to compete in cross country and track for five years at a college in San Diego. Since graduating, I've been looking for ways to engage with the local running communities wherever we move, and building a welcoming running community for athletes of all levels. I work full time for a nonprofit, and when I'm not running, you can find me reading, writing, traveling, lifting weights, or spending time with my husband, three cats, and dog. Looking forward to connecting with fellow runners and sharing miles together!

### **AJ Haynes – Secretary**

I am a Clarksville native and began running in high school to condition for wrestling. I continued running since, and enjoy the meditative aspect of it. I am an Account Executive, National Trainer & Presenter for a group fitness development company called MOSSA. I am also a local personal trainer and fitness instructor. Running aside, I enjoy spending time with his family, grilling, and cheering on the VOLS!

### **Shane Sykes – Secretary**

I'm from Houston County. I went to UT for veterinary school and opened my own practice 2 years ago in Clarksville. I started running to get in shape to elk hunt in the mountains out west. Recently I've been training for longer distances because I'm so slow. I have done a 50 miler and 100k. I do all of my running by myself because I'm so slow. I've been married for 16 years and have a 6yr old who runs cross country in elementary school.
